One row = one entry / batch. Record the value or tick each column. Note any fail in the Corrective Action Log and reference its CA#.

Corrective Action Log — record any out-of-range / fail here and write its CA# beside the reading in the grid.

CA#	Date	Item / Area	Problem found	Corrective action taken	By

Recorded by: _____ Verified by / Supervisor: _____ Date: ____ / ____ / ____

MED_FIT_001 · FSMS – Culirect · Blank master for manual logging

Retain 1 year or the food's shelf-life, whichever is longer (FSSAI Schedule 4, cl. 8.2). Any 'Out' / 'Fail' → corrective action + supervisor review.
